Recommendation Letter

I am pleased to write a letter of recommendation for **Mr. Zemed Biazin**. I know him for the past 4 years as he is a student of Medical Laboratory Science in Debre Tabor University. As a head of Biomedical Department, I have had an opportunity to observe his dedication and diligence on teaching learning process during his stay at Debre Tabor University. He is an outstanding student in all respects and has proven that through hard work, follow through and team work. He can accomplish in a courteous and timely manner. He also has an excellent skill of leadership.

All in all, I think he has a very bright future. Given his great intelligence and sensitivity, I am sure that he could put his excellent knowledge and skill to good use and I strongly recommend **Mr. Zemed Biazin** to engage in the profession and further study in the area of her interest.

With best regards
