Subject: letter of recommendation

Tadios Hailu has been my student; I have taught him in grade 9 and 12. In my English class, I have found his to be energetic. He accomplishes his assignments on time. He is faithful to the deadline of submitting project work.

He has a good command of English. He communicates his ideas in Writing. I appreciate his choice of dictions and clarity in his paragraphs and essays. Similarly, he is a fluent speaker. He takes part in debate club, and he, successfully, holds the ears of the audience.

Apart from his academic engagement, as is supportive in the class. He assists me in writing on the board, for he has a legible handwriting. He as assists me in checking exercise books.

I strongly recommend his admission to your program as he will be engaging in his activities at his fullest potential. Thanks for your consideration.

Sincerely yours,

Gashaw Ayele.
