

Dear Admissions Committee,

It is with great enthusiasm and utmost sincerity that I present my application for admission to the Digital Economics and Commerce program at Polytechnic Marche. My name is Kidus Yeabsira, and I am ardently passionate about the enthralling intersection of economics and digital commerce that shapes today's global economic landscape. The profound impact of digital innovations on economic activities has ignited an unwavering curiosity within me and instilled a strong desire to comprehend and contribute to the ever-evolving field of digital economics and commerce.

The notable commitment of Polytechnic Marche to offering an enriching curriculum that seamlessly integrates economic theories with cutting-edge digital commerce insights deeply resonates with my academic aspirations. I eagerly anticipate engaging in a vibrant learning environment that fosters critical analysis, innovative thought processes, and practical applications essential for understanding and shaping the global impact of the digital economy and modern commerce landscape.

Enrolling in the Digital Economics and Commerce program at Polytechnic Marche presents an exceptional opportunity for me to not only expand my knowledge but also actively contribute to the ongoing academic dialogue. I am eager to leverage this educational experience to proactively participate in propelling the field of digital economics and commerce forward. I am confident that the academic resources and innovative atmosphere at Polytechnic Marche will serve as a nurturing ground for my academic and professional growth.

Thank you for considering my application. I am genuinely enthusiastic about the prospect of becoming part of the distinguished academic community at Polytechnic Marche and contributing meaningfully to the realm of digital economics and commerce.

Warm regards,

Kidus Yeabsira
