TWIMC

It is a great pleasure to me to write this recommendation letter to my former student SADOR SOLOMON MULUGETA, whom I had known for four years.

During his high school time, from grade 9 (2013/14 G.C.) UP TO GRADE 12 (2016/17 G.C.), SADOR SOLOMON MULUGETA had several strengths i.e. he had the ability to do work in group, good listening and speaking skills, and participation in clubs. He was also highly intelligent, well disciplined and an industrious student with a pleasant personality. Hence, I recommend him to join any scholarship for natural science department in undergraduate study.

With Regards!
