TO WHOM IT MAY CONCERN

I am writing this letter to enthusiastically recommend **Miss Fidel Alemayehu Hailemariam** for admission to higher education or computer science and engineering job positions. Having known her for five years and having had the privilege of serving her as her department head in the esteemed Department of Computer Science and Engineering, I can confidently attest to her exceptional qualities and unwavering dedication. Throughout our association, I have witnessed **Miss Fidel's** remarkable growth as an individual who consistently strives for excellence in both academic and personal pursuits. Her insatiable curiosity and passion for learning has been evident in every endeavor she undertakes. Whether it is delving into complex subjects or collaborating with diverse teams, **Miss Fidel** exhibits an extraordinary eagerness to explore new frontiers and expand her knowledge.

Her academic achievements stand as a testament to her exceptional abilities. Her commitment to her studies is matched only by her creativity and innovative thinking, as reflected in the impressive projects she has successfully completed. **Miss Fidel** has successfully passed the national exit exam thus exceptional achievement showcases her exceptional dedication and proficiency in the field. **Miss Fidel's** inquisitive nature, coupled with her meticulous attention to detail, allows her to analyze problems from multiple perspectives and arrive at insightful solutions. Beyond her academic prowess, **Miss Fidel** possesses a character that radiates integrity and humility. She exemplifies honesty, both in her interactions with others and in her approach to her work. Moreover, her open-mindedness and receptiveness to diver's viewpoints foster an inclusive and collaborative environment, earning her the respect and admiration of her peers and mentors alike.

With great conviction, I wholeheartedly recommend **Miss Fidel Alemayehu Hailemariam** for consideration in your esteemed organization. I have no doubt that her exceptional abilities, passion for computer science, and unwavering commitment to excellence will make her an invaluable asset to your team. Should you require any further information regarding her character or academic achievements, please do not hesitate to reach out to me at mesfin.dagne@astu.edu.et or dcse.soeec@astu.edu.et.

Thank you for your time and consideration.

Warm Regards,

Mesfin Dagne
