**Dear Sirs/ Dear Admissions Committee,**

It is a great pleasure to recommend FANUEL EYOB TEFERA for admission to your university. I've been **FANUEL** English teacher for the past 2 years and based on his grades, attendance and class participation; I'd rate **Fanuel's** academic in my class as superior. From the first day of class, he impressed me with his ability to articulate about difficult concepts and texts, his sensitivity to the nuances within literature, and his passion for reading, writing, and creative expressions – both in and out of the classroom. He is a talented in literacy critic and poet, and he has my highest recommendation as a student and writer.

**FANUEL** is talented at considering subtitles within literature and the purpose behind author's works. He is one of the most exceptional students I've encountered in my 10 years of teaching. He is insightful, sensitive, and deeply self-aware individual driven to explore art, writing, and a deeper understanding of the human condition.

Throughout the years, he was an active participant in our discussions, and he always supported his peers. His caring nature and personality allow him to work well with others in a team setting, as he always respects others' opinions even when they differ from his own. When we held a class debate about 'Globalization', he explained his choice as motivated by a desire to put himself in other people's shoes, view the issues from a new perspective, and gain a clearer sense of the issue from all angles. Throughout the years, **Fanuel** demonstrated his openness and empathy for the opinions, feelings, and perspectives of others, along with shrewd powers of observation, all qualities that makes him outstanding as a student of literature and burgeoning writer.

I am certain that **Fanuel** is going to continue to do great and creative things in his future. I highly recommend him for admission to your 1<sup>st</sup> degree program. He is talented, caring, intuitive, dedicated, and focused in his pursuits. **Fanuel** consistently seeks out constructive feedback, so he can improve his writing skills, which is a rare and impressive quality in a high school student. He is truly an outstanding individual who will impress everyone he meets. Please feel free to contact me if you have any questions at [yemanedodin@gmail.com](mailto:yemanedodin@gmail.com).
