

LETTER OF RECOMMENDATION

To Whom It May Concern

It gives me a great pleasure to stand as a reference to **Mr Mosisa Ayano**. He is my student I know him for the last four solid years, as of 2019 with his excellent performance and good behaviour in the nursing department.

Mr. Mosisa Ayano is one of outstanding student; I taught him different public courses during three years of life. Also, He was disciplined, goal-oriented, devoted to catch-up any emerging ideas and committed student for his profession. Furthermore, he has the especially professional ability in conducting clinical activities and organizing public intervention activities like CBTP, TTP and student research. I saw him with very motivated and highly committed on his assigned duties as well eager to learn any innovative ideas. As a nurse, I assure that the cumulative effect of personal quality, professional commitment and his devotion made him fit the position wherever which in-line with his profession.

I strongly believe **Mr. Mosisa** is an able to perform research activities and clinical skills in a large scale. Thus, I highly recommend him for any position in-line with his profession where he can serve society. Therefore, I wish all the best for him to any post or further education that goes in line with his field of specialization. Please, don't hesitate whenever if you need to contact me for further information. Here my detail address for further contact.
