To whom it may concern:

Dear, sir/Madam

I Addis Ayalew am pleased to write this letter of recommendation for *Tadios Hailu Kebede*. I was his ICT teacher during his preparatory schooling from Neway challenge academy and I have known him for a year. With this letter, I would like to recommend him for the admission in the courses at your estimated bachelor school.

Tadios was one of the brightest students of our school. He was always appreciated for his sincerity and dedication towards studies and for his helping nature towards the teachers and peers. His willingness to learn new thing combined with his existing knowledge about ICT and other subject's makes him an ideal candidate for the current admission opening.

I have no hesitations in recommending Tadios to pursue his higher studied from your bachelor school. If you wish to speak to me regarding the recommendation, please feel free to contact me on ADmerphi@Gmail.com.

Thank you for your consideration

Sincerely,

Addis A
