

Dear Polytechnic Marche Admissions Committee,

I am writing to express my strong interest in pursuing my studies at Polytechnic Marche in the field of Digital Economic and Business, and to apply for admission to your esteemed institution. My name is Kenno Degebassa, and I am a dedicated and ambitious student with a passion for learning and a desire to excel in the realm of digital economics and business.

The opportunity to study at Polytechnic Marche in the Digital Economic and Business program is incredibly appealing to me. The reputation of Polytechnic Marche as a leading institution in this field is what attracted me to apply for admission. I am eager to delve into the innovative curriculum and cutting-edge research opportunities that Polytechnic Marche offers in this area.

I am confident that the challenging academic environment at Polytechnic Marche will help me grow both academically and personally. I am excited about the prospect of engaging with the diverse faculty and students at Polytechnic Marche, as I believe that the exchange of ideas and perspectives will enrich my learning experience and help me broaden my horizons.

Furthermore, I am committed to contributing positively to the academic community at Polytechnic Marche in the Digital Economic and Business program. I am a hardworking and diligent student who is always eager to learn and explore new ideas. I believe that my dedication, enthusiasm, and strong work ethic will enable me to make a valuable contribution to the academic and social life of the institution.

I am excited about the prospect of studying at Polytechnic Marche in the Digital Economic and Business program, and I am confident that the knowledge and skills I will gain from your institution will prepare me for a successful career in this field. I am ready to embrace the challenges and opportunities that come with studying at Polytechnic Marche, and I am determined to make the most of this valuable learning experience.

Thank you for considering my application for admission to Polytechnic Marche in the Digital Economic and Business program. I am looking forward to the opportunity to be a part of your academic community and to contribute to the vibrant and dynamic environment at your institution.

Sincerely,

Kenno Degebassa
