Dear Temesgen Mekonnen

We are pleased to inform you that you passed the preliminary evaluation for the Bachelor's Degree Course "DIGITAL ECONOMICS AND BUSINESS (in English /ET07) - Location: ANCONA" at Univpm.

Before moving on with the further steps for enrolment, you have to provide that:

- **your high school diploma has been achieved with at least 12 years of schooling in the local education system** (please check annexes no. 1 and 2 [here](#));
- **your diploma allows access, in the Country where issued, to a similar University course to the one you are applying for at Univpm;**
- **you passed the admission test to University** (only applicable if such test is required in your Country).

**You now need to pre-enroll on the course.** The association [Uni-Italia](#) can help students with the pre-enrollment procedure:

**PLEASE NOTE:** your study documentation must be legalized as well as translated in English or Italian language.

When submitting your pre-enrollment application on University portal, please issue a **Declaration of Value** or a **CIMEA certificate** (if owned - **Find further information** [here](#)), mandatory for the final enrollment.

**You now need to pre-enroll on the course:**

- **non-EU students living abroad (visa applicants)**, through the University [portal](#) - **The University portal will open in March 2024;**

*An admission letter for the Embassy can be sent, upon request per e-mail, only after we approve your pre-enrolment in University.*

- **EU students and EU equivalent students** (not needing a visa to enter Italy), directly on our [website](#) (enrolments for the a.y. 2024/2025 will open around mid-July 2024).

Please read and follow our enrolment procedures carefully ([CLICK HERE](#)).

On our website you will also find information about courses, scholarships, student's life and services offered by Univpm.

Further information on the Italian University System's structure, requirements and opportunities can be found in the Study in Italy portal and in the Italian Ministry's Procedures for entry, residency and enrolment of international students and the respective recognition of qualifications for higher education courses in Italy

For further assistance, please do not hesitate to contact us.

Best Regards  
The International Students Admission Office
