

Dear Members of the Admission Committee,

I am writing to express my strong enthusiasm for pursuing a Master's degree in Biomedical Engineering at Polytechnic Marche. With a background in nursing from Wachamo University, I am eager to leverage my knowledge and skills to transition into the dynamic field of biomedical engineering.

Studying nursing has afforded me invaluable insights into healthcare and patient care, sparking a deep-rooted curiosity in medical technology and innovative solutions. I am captivated by the potential of biomedical engineering to bridge the gap between healthcare and technological advancements, envisioning a career where I can contribute to the development of life-changing medical devices and technologies.

Polytechnic Marche's esteemed program in Biomedical Engineering stands out as the ideal platform for me to weave my nursing expertise into the fabric of cutting-edge medical innovations. I am eager to immerse myself in the university's enriching academic environment, where I aspire to broaden my knowledge, collaborate with esteemed faculty, and positively impact the future of healthcare.

I am genuinely grateful for your consideration and am eagerly anticipating the opportunity to contribute to the academic community at Polytechnic Marche.

Warm regards,

Mosisa Ayano
