### TO WHOM IT MAY CONCERN

I am truly delighted to write this letter of recommendation for yohannes Desalegn Bireda. I have taught him for one year during his senior year.

I have had the pleasure of teaching Yohannes Desalegn Bireda in his senior class at Ledeta Catholic Cathedral school. In light of the academics of our school being challenging, Yohannes has usually been fulfilling all the requirements. Besides his very good participation in my class, I have seen him thrive for fulfilling his dreams. I am proud to say that Yohannes has accomplished the academic expectation that is put to him. He is very obedient and has been consistent in his studies and scores very well in all his examinations.

Apart from his very good language competence skills, he possesses other great qualities that make him a good student. He is very friendly and always helps and supports his friends with all the academic and personal assistance. He is a self motivated student who knows what he wants from life.

I acknowledge Yohannes Desalegn to be a perfect candidate for your program. I, therefore, feel honoured to recommend him for the scholarship program in your institution. If you have any questions regarding Yohannes, please feel free to contact me via my email: [birhaneteklayofficial@gmail.com](mailto:birhaneteklayofficial@gmail.com)
