

**TO WHOM IT MAY CONCERN**

I do here to be witness that I have known my dear Student ABENEZER TESHOME in Department of Information Systems in Wolkite University. I have taught two courses entitled to "Data Communication and Networking, System Administration and Networking". He/she is one of the most dynamic and enthusiastic students.

Further, he/she also highly respected by our department for his/her best performing in his/her academic and best project work had performed that handle real time problem during his/her final project work. He/she has wonderful personality with competency, strong willed, self-disciplined, punctual with good interpersonal communication. Finally, I believe that this he/she has the competency to come up in the professional skill and take any professional responsibility in your organization. Lastly, I strongly recommend him/her for any profession related to his/ her field of study.

With Best Regards!
