

Dear Members of the Admission Committee,

I am writing to express my keen interest in pursuing a Master's degree in Biomedicine at Polytechnic Marche. As a Biotechnology graduate from Addis Ababa Science and Technology University, I am deeply passionate about the potential of Biomedicine to advance healthcare and scientific research.

The comprehensive and interdisciplinary curriculum offered by Polytechnic Marche resonates with my academic and professional aspirations. I am eager to engage with esteemed faculty and peers, contributing to innovative solutions in the field of biomedical sciences.

I am committed to dedicating myself to academic excellence and interdisciplinary research at Polytechnic Marche, and I am enthusiastic about the prospect of joining your esteemed institution.

Thank you for considering my application. I eagerly anticipate the opportunity to contribute meaningfully to the academic and research community at Polytechnic Marche.

Warm regards,

Halewot Abebe
