Congratulations! We are pleased to inform you that, after examining the qualifications and documents submitted:

you have been positively evaluated for the enrolment in the Bachelor's Degree Course in Data Analysis, taught in English, with a legal duration of 3 years.

Lectures will start in October 2024 for the academic year 2024/2025. For information about UniME tuition fees, please go to <https://international.unime.it/study-us/fees-and-fundings>.

Visa procedure

The visa procedure at the relevant Italian Diplomatic-Consular Representation begins by registering on the University portal (<https://www.universitaly.it/>) and submitting the pre-enrolment request (submissions for the **a.y. 2024/2025** starting from mid-March 2024). In the University application, it is mandatory to type the application ID displayed above in the 'institution account' field and to upload the required documents (the same ones sent to UniME for the evaluation of your application) and this admission letter.

More information is available at:

<https://international.unime.it/studying/application-and-admission/visa-procedures>.

After receiving confirmation that your application on the University portal has been validated and forwarded to the Italian Diplomatic-Consular Representations, you must contact them for an appointment.
