Recommendation letter

My student **Kaleab Asrat Getachew** has asked me to write a letter of recommendation on his English Language academic performance, for use in his applications for academic purpose. I do so with great pleasure.

I first met Kaleab Asrat three years ago. Since that I have taught him English as Foreign Language and have become very familiar with his education. Kaleab attended my four - quarter lessons on language skills (Listening, Speaking, Reading and writing) and language focus (grammar & vocabulary) in academic year 2020/22 G.C. His contributions and participations to those lessons went far beyond the call of duty: he made many presentation and his contributions to group discussions were both numerous and carefully thought out.

I am very impressed by Kaleab performance that, in order to understand language skills and structures since he has learnt English as Foreign Language. I am even more impressed by the thoroughness and attention to detail with which he has carried out different activities in Literature and Debate club in the school.

Additionally Kaleab is a trustworthy, reliable, good – humoured student and friend who support others in and out of the classroom. He was a pleasure to have in class, and his positive attitude and belief in himself, even in the face difficulty, is an enormously admirable asset. I am confident that he will continue to demonstrate the same thoroughness and optimism that he showed me and his classmates.

He exemplifies what a true student should be; he is kind enthusiastic and always pushing to better himself and others. I would highly recommend him for admission to your program.

Please do not hesitate to contact me at hundemulisa17@gmail.com in regards to this letter or any other questions you may have.

Sincerely

Appraised
