

Dear Admission Committee,

It is with great enthusiasm that I, Bemnet Alemayehu Nigusse, submit my application for admission to the Digital Economics program at Polytechnic Marche. My deep-rooted passion for economics, coupled with a fervent interest in the transformative impact of digital technologies on economic landscapes, compels me to seek an academic journey that converges both domains at your esteemed institution.

The evolving nature of global economics, coupled with the pervasive influence of digital paradigms, has fueled my determination to pursue a comprehensive understanding of digital economics. I am driven by a keen interest in dissecting the intricate connections between digital innovations, economic policy, and global market dynamics, and I am eager to delve into the specialized curriculum offered by Polytechnic Marche, known for its commitment to pioneering research and innovative educational approaches.

I am excited about the prospect of engaging with distinguished faculty members and like-minded peers in a dynamic academic environment. The opportunity to explore the intersections of economics and digital technologies at Polytechnic Marche holds the promise of an enriching academic experience where I can contribute to the ongoing discourse on digital economics while nurturing my intellectual curiosity and academic growth.

I sincerely appreciate the time and consideration given to my application. I am genuinely looking forward to the opportunity to contribute meaningfully to the academic and research community at Polytechnic Marche and to propel the field of digital economics forward.

Warm regards,

Bemnet Alemayehu Nigusse
