Sub: - Recommendation letter for Yared Nigussie Goytom

My Student, **Yared Nigussie Goytom**, is a brilliant student and I am recommending him for admission at your college. I hope that you will consider my recommendation and give him a chance to study at such a reputed college.

I taught him Mathematics at school level and found him to be very intelligent, hardworking and creative. He is very attentive and has high concentration level. He is always willing and eager to wards learning new ideas.

In class room, **Yared** I often expresses a level of maturity and commitment which is hard to miss in a student. His dedication went beyond my expectations and he was an active participant in class room in voluntary basis and almost I can say about him that he has been doing all activities activity that are performed in the School compound.

Yared is a highly ambitious person with great intellectual intelligence. He is very serious with his studies and takes up all the tasks with full dedication. He has always been consistent in his performance. If you go through his scores and grades, you would get to know that he consistently performed well in all his subjects.

Yared would prove to be a great asset for your college.

Yours Faith fully,

Mr. Biniam Mitiku
