To whom it may concern

I have known Mr. Matasabia Degife Woliso for the past one year [grade-11] and having served as his teacher in Mathematics at Angacha Secondary Preparatory School. I would like to take this opportunity to recommend Matasabia for your institution.

Matasabia is a bright and attentive young man. In class and his work, student-Matasabia is dedicated and thus far his grades have been exemplary. He has always been among the top students in his class. Matasabia has also greatly enriched our school by engaging in extracurricular activities. He would be an excellent addition to your institution.

It is for these reasons that I offer high recommendation for Matasabia without reservation. However, should any further information be required, please do not hesitate to contact me.

Sincerely,

Deginet Worku

Teacher, Angacha Secondary Preparatory School.
