## Recommendation letter

It is with great pleasure and confidence that I am writing this recommendation for Miftah Siraj Ali, who was a student in Kotebe University of Education, Menelik II Health and Medical Science College.

I have known him for the last 4 years as a Medical Radiological Technology student and I have instructed the following courses: Radiological Equipment and radiographic imaging. During this time, Miftah has showed himself as a dedicated and committed student for his studies and works, He was one of the best student of his class, I can state that Miftah distinguishes from students with his intellectual performance and honest character. I know him as highly responsible, perceptive, outstanding and dedicated. He is also intelligent hardworking and sociable. I believe that he is able to bring a significant scientific knowledge and experience to our country, if given the chance.

For all this, I recommend him to be given the opportunity to join your excellent institution. If any further information required, please contact me.

Sincerely,

## Recommendation Letter

It is with great pleasure and confidence that I am writing this reference letter for our graduate **Miftah Siraj Ali**, who was a student in Kotebe University of Education, Menelik II Health and Medical Science College.

I have known him for the last 4 years as a Medical Radiological Technology student. During this time, **Miftah** has showed himself as a dedicated and committed student for his studies and works. He has taken all the intended courses according to the curriculum of Medical Radiologic Tecnology in our country. He completed his studies of total 8 semesters and achieved excellent results according to our grading system, both academically and in field studies of practical sessions. You can see his grade reports of each course he has taken for witness.

As an instructor, I had the opportunity to observe his strength, bright future and over all progress as a growing young radiological technologist. I believe that he is able to bring a significant scientific knowledge and experience to our country in his respected field of study, if given the chance.

For all the above reasons, I highly recommend him to be given the opportunity to join your excellent institution. Please don't hesitate to contact me if you need further information.

Sincerely,

Gifto Mekonnen
