Subject:- Giving Recommendation Letter

We would like to express about student **Abel Haile Alemayehu**, he had been learning at our school from grade 11-12 till 2021 G.C. He completed grade 12, in 2021 G.C from our school. He has been given all subjects in English except mother tongue language. More over, he has good behavior and high achiver student at his lesson aswell he has taken part in school football team and played great role as the school won the compition held among high schools during his stay. So we are keen to express our deep wish for him where ever he wants to join in academic issues and for other affairs with respectfully.

With best regards!
