Letter of Recommendation

To Whom This May Concern,

My name is Alemnew Getnet, instructor and department Head of Economics in Debre Tabor University. I am proud to offer my recommendation of Haregewoin Kindu to whom I have personally known for three years at Debre Tabor University as instructor-student and department head as well.

During our relationship as a student-instructor with Haregewoin Kindu, I have experienced an individual who shows up earlier than asked, works hard, cooperative, diligent, and enthusiastic, carries herself in a polite, respectable manner and disciplined towards her task while discharging her duties. Her consistently demonstrates a strong endeavor and commitment to success. In addition she was talent and a family person who has always presented themselves with levelheadedness and grace. In a nutshell, Ms. Haregewoin Kindu is a valued member of the institution whom I have learned I can rely on.

Thus, it is for this reason that I offer high recommendation for Ms. Haregewoin Kindu without reservation her combination of intelligence, commitment, preservice creativity, and compassionate character will certainly make her a valuable member of any academic, governmental and non-governmental organization. Her drive and abilities will truly be an asset for any esteemed program. I encourage you to look favorable up on her applications.
