## To Whom It May Concern

It is my pleasure to write this recommendation letter to **Yafeth Dessalegn Garsamo** who has been in my division from grade nine to twelve (Sept 2018 to June 2022G.C). As a principal I found **Yafeth** as a very good student in his overall academic performance.

He was a student who showed a positive attitude towards extracurricular activities by actively participating in different co-curricular clubs. As a member of the charity club **Yafeth** proved his willingness to help those who are less fortunate than him. In so doing he demonstrated his excellent qualities in working with others for a common goal.

Other noticeable and even more impressive characters I have seen in him is that he is always open to express his concern to his teachers and superiors and stands up for what he believes is right.

In general these are some of the reasons for my recommendations of **Yafeth** to your institution for further studies in the field he is interested in. If I can be of further assistance you can reach me at anteasse22@gmail.com

*Sincerely*

  
**Anteneh Assefa**  
High School Principal
