Subject: Letter of Recommendation

Dear Mr/Dr/Sir/Madam/professor

This letter is written in favor of **Mr. Jeylan Feki** who was a student at Arsi University department of Veterinary Science. I am pleased to write a letter of recommendation for him. I have known **Jeylan** as one of my outstanding student in Veterinary Science department as I was his course instructor for the past two years until his graduate on July, 2022.

As his instructor, I have had an opportunity to observe his participation and interaction in class and to evaluate his knowledge and skills of the subject matter. **Jeylan** is one of dedicated student in all aspects and he has proven that through hard work, follow though, and team work, he can accomplish tasks in a courteous and timely manner. I witness that he is very committed, meticulous, and time conscious in his study that enabled him to successfully complete his first degree award.

Mr. Jeylan is also a very dynamic person; he always seeks change and contributes his know how to the betterment of his surrounding, and updates his knowledge and skill through reading. **Jeylan** can work with a person with different background and in working situations which have higher load without exhaustion. In short, he is exemplary for the type of loyal, honest and punctual person who can be expressed as role model and perfectionist.

Her by, I will be a witness and reference for the endowed qualities and potential of **Mr. Jeylan Feki Abibeker** which are very relevant both in the academic and working environment he will be involved. I, therefore, recommend him for every kind of chances in: his education, and job opportunity wherever he applies in relation to his field of study.

Best regards!

Subject: Referee letter for Jeylan Feki

It is a true pleasure for me to write this letter of recommendation in support of my student **Jeylan Feki**. I have known **Jeylan Feki** in my capacity as a veterinary science student of mine when I thought him many courses at Arsi University, College of Agriculture and Environmental Science where he scored good grade. As a student he was very active, hardworking, positive minded, disciplined, inquisitive and preserving fellow who can discharge any duty extended to him with high degree of responsibility. Added to this is his superb personal conduct and behavior which he demonstrated as a stable personality throughout his student life. **Jeylan Feki** was one of the best students I taught and his magnificent performance where he deservedly accomplished his BSc in Veterinary Science degree with distinction honor.

His commitment toward his duties is superb. **Jeylan** has strong motives and passion for work, further education and research. I belief that the skills, potential and dedications he has, thus far, demonstrated would go long way in order to ensure meaningful contribution to the future career, education and research. Furthermore, if provided with opportunities of advanced job, trainings and further education he has enormous capacity to show his academic and research potential at all levels. Would you please like further information about **Jeylan Feki** please don't hesitate to contact me?

Wishing him a successful professional career

With best regards,

Dr. Yonas Gizaw
