Re: English Language Competence

This is to certify that Hermela Dawit Wubshet is our student she has been at LCCS from grade 11-12 for 2 academic years. According to the Ethiopian ministry of education curriculum, in the lower grade, (grades 1-6), English is given as a subject, while in the junior and secondary schools, therefore grades 7-12 English is the medium of instruction, and all subjects except Amharic are given in this language.

Thus, Hermela, as a student who is now attending grade 12 in our secondary school is learning the various subjects in the English language. I therefore will like to confirm that, Hermela is an excellent student in both written and oral English and will not face difficulties in communicating and understanding courses that would be offered in English at the tertiary levels.

While writing this testimony, I am wishing her all the best in all her future academic studies.

Sincerely yours,

Abera Temesgen

Academic director
