## To Whom It May Concern:

I had the pleasure of teaching to **Yared Nigussie Goytom** his 12<sup>th</sup> grades English classes at Omega School. From the first day of class, **Yared** impressed me with his ability to be articulate about difficult concepts and texts, his ability with the nuances within literature, and his passion for reading, writing and creative expression-both in and out of the class room. I would like to take this opportunity to recommend **Yared** for your undergraduate program.

He is an insightful, sensitive, and deeply self-aware individual driven to explore art, writing and deeper understanding of human condition. Throughout those years **Yared** was an active participant in our discussions and he always supported his peers. His caring nature and personality allow him to work well with others in a team setting as he always respects other's opinions even when they differ from his own.

I am certain that **Yared** is going to continue to do great and creative things in his future. I highly recommend him for admission to your undergraduate program. He is talented, caring, intuitive, dedicated and focused in his pursuits. **Yared** is truly a stand - out individual who will impress everyone he meets.
