### TO WHOM IT MAY CONCERN

It's my pleasure to provide a recommendation letter for **Abenezer Elias Mulualem** . I have known him as a director in South West Academy for 12 years and he was one of my outstanding students. What makes him special to me as a director is his excellent discipline and outstanding academic potential. He is one of the most cooperative students in the school.

In addition to being academically strong, I had also the opportunity to see his amazing communication skill and leadership abilities in **Charity/ Interact, MUN, Discover our country**. He is also president in 2021-23 clubs . In general he is a bright, energetic, compassionate and genuinely all rounded students.

It is a real honor, and a great pleasure to recommend **Abenezer** to your organization. I think he will be an outstanding student and positively contribute to the program he applied for you can contact me through [oliyared.yb@gmail.com](mailto:oliyared.yb@gmail.com)
