Dear selection committee

I am pleased to write this recommendation letter to **Joel Tefera Fekede** to strongly recommend his to your institution. During his time in our school which I am a principal of, **Joel** demonstrated tremendous effort, growth and focused energy throughout his four high school years. I believe he will be an excellent addition to your institution.

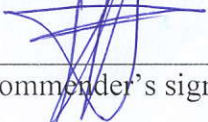

Joel is very hard working, motivated and inspired student. He is creative, and fights hard for his beliefs and ambitions. **Joel** is extremely good in academics and also actively participate in many extracurricular activities and volunteer to any activity in the school. He demonstrates a good work ethics and interpersonal skills. I teamed his up with other students, and I found his very personable. He has overcome his financial hardship by doing part-time jobs.

I am convinced that **Joel** would make more than a valuable contribution to your university, both inside and outside of class. I will end this letter by once again strongly recommending him .

Sincerely,
